**Interchangeable Holiday Theme Address Sign**

**Amendment to Specification Sheet**

This Specification sheet will replace all prior versions in the application.  
The Specifications have been rewritten as follows:

Sign to be fabricated in such a way that the Holiday Theme address inserts can be easily changed to display different themes/messages.

Sign to be fabricated to allow the storage of all Holiday Theme address inserts so as to be available for easy changing.

Sign to be designed to be weatherproof and to hang below a horizontal mailbox post, from a porch post or house wall or any other application as required.

Sign to be supplied with a personal message, personal address, personal address with a choice of predetermined picture (clipart) or personal address with a predetermined assortment of Holiday Theme inserts.

Theme inserts can be printed two on one sheet of paper and cut in half.

Personal address can be printed on pre-printed assortment of Holiday Theme inserts.

Sign to be fabricated to allow viewing the same display panel from both sides.

Sign can be furnished with reflective tape for better ~~viewing~~ detection at night.
